WHAT ON EARTH—Is the reason people will not, cannot or do not see any difference in cheap nostrums put up by cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing.—W. H. Chedie Druggist.

REV. GEO. R. BIRD.—The Rev. Mr. Bird, of the Presbyterian Church, was installed as pastor of that Church last evening. The crowded house spoke volumes for the popularity of Mr. Bird; his few months residence in Carson has shown how quickly a good man may endear himself to a community. All that flowers, taste and skill could do in the way of decoration had been done and the church was a perfect little bower; for this the credit is due to the Young Peoples' and the Ladies' Endeavor Societies. The choir was composed of Mrs. H. H. Howe, Mrs. Hawthorne, Mrs. Meder, Mrs. Furlong, Messrs. Cobb, Macke, and Meder, Miss Martin, organist and their music added much to the effect of the service. Mrs. Howe's solo, needs no praise, as all know the beautiful voice. The large congregations, both morning and evening listened to eloquent sermons from Rev. Mr. McDonald. Rev. Mr. Witter, of Virginia City, assisted in the evening service.

THE NEW BOARD MEETS.—The City Trustees met last evening and referred the sewerage bids to a special committee for examination. The bid of Reavely Unsworth for the entire work was the lowest. The petition by the citizens for two watchmen in Carson was placed on file. The matter of the meat peddlers' license was laid over until the next regular meeting.

Query. The following appears in the Examiner: Please answer the following question and relieve a tooth-ache: Are the twin gorillas recently born at the Zoological Gardens subjects of Great Britain or citizens of Africa?

England will probably claim them and demand a subscription from them towards the next Jubilee.

ROLL OF HONOR.—Following is the roll of honor of Miss V. E. French's class.

Louise Ferretto, Gertrude Bird, Lena Mara, Ada Meyers, Sadie Hawthorne, Selig Olcovich, Ethel Hofer, Josephine Prince, Leslie Small, Ruby George, Adebert Lee, Eva Stone.

A Chicago architect has submitted plans for an immense building to hold the entire exhibit at the world's fair. The proportions of this building are to be a diameter of 3000 feet, with a roof raising to a height of 1100 feet, covering in its sweep 192 acres of ground. The roof is to be supported by a tower higher than the Eiffel tower. The entire cost of the structure would be something over \$6,000,000. Some of the Chicago papers are quite favorable to the idea.

The designs for the new London tower, which is to out-Eiffel the French production, are on exhibition in London. Among the most favored plans is one from Washington. It consists of a tower 1,250 feet high and 192 feet diameter at the base, and is said to present a more magnificent appearance than any of the designs furnished by the other foreign and domestic competitors.

The following names are on the Roll of Honor in Miss Martin's class: Vida McClure, Carrie White, Ulysses Brule, Eugenia Mills, Ernest Sweetland, Millie James, Marie Mullaly, Julian Gulon, Bert Donahue, Ross Elliott, Dean Smith, Howard Gillson, George Trapp, Eva Doyle, Alice Gillooly, Edith Kersey, Herbert Yerington, Naomi Keith, Lulu Pratt, Howard Davis, Lola Davis.

COUGH! AND COUGH! AND COUGH!—What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.

SUNDAY'S RACES.—The races drew a few of the local sports to the track Sunday, but few of them came away satisfied. The first race between Rock and Sagebrush Kate was delayed by two false starts and the running away of Kate with her rider. When the start was made Rock took the lead and managed to crowd a hundred yards of daylight between himself and Kate by the time the judges stand was reached. The second race was a half mile trot, best two in three, between Dandy Jim and Dave, was won by the latter. Out of the respect for the owners of the horses we withhold the time. A few pools were sold which allowed the boys to win back their gate money.

THE BOARD OF TRADE.—At a meeting of the State Board of Trade held in Reno on Saturday, the proposition of sending out a pamphlet to different parties who think of coming here to settle, or to induce people to come here to settle, was discussed. The copy which the Manager had present was approved and 2,000 copies ordered printed to be distributed. On motion the Manager was instructed to apply for space at the World's Fair.

SHE KEPT HER WORD.—Twenty-five years ago, Mrs. Ernest Steig, at Crawfordville, Ind., vowed that the sun would never shine upon her again, and she kept her word. Her husband humored her whim, and when the house in which they lived was sold, compelling a transfer, she was removed at night in order that her vow might be kept intact. Some months ago she became blind, and her death occurred last week.

PUBLIC HIGHWAYS.—The road just before reaching Lake View is in a very bad condition and ought to be repaired. Sunday a gentleman driving along this point was nearly precipitated into the ditch some 30 to 40 feet below by the sudden fright of his horse. Had the animal not been calmed, we might have had an obituary for our readers.

HOW CAN PARENTS—Allow their children to cough and calmly say: "Oh! its only a little cold," and keep giving them cheap medicines, until they are down with lung fever or consumption, when they can be so easily relieved by using BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.
